GRANT FUND GUIDANCE NOTES

The Council recognises the wide diversity of voluntary (or non-statutory) bodies operating in the Town and the effort which is harnessed for the benefit of the local community. Against this background the Small Contributions Fund has been established by the Council in order that it may consider helping the work of local organisations such as clubs, societies, groups etc.

The intention is to assist towards specific items or activities up to a maximum of £500. The Council does not propose to provide 100% funding for any proposal and will expect to see an indication that funds from other sources are also being used. It would also not expect to receive multiple applications from a single organisation, and given the number of organisations seeking assistance in any one year, preference will be given to those not previously assisted by this Council.

Most non-profit making voluntary groups are eligible to apply, but the Council cannot consider applications which further the aims of particular religious or party political organisations. The Council will normally be more inclined to support organisations whose activities are focused upon Banbury residents and where their service or activity meets an identified need, but does not displace the work of an existing organisation. The organisation should also not already be in receipt of funding from the Council or another element of local/central government.

We look forward to receiving your completed application form, but if you should require clarification regarding any of the above please contact Mark Hassall (Town Clerk) on 01295 817 313, who will be happy to help you.
